### “STUDENT’S RIGHT TO CANCEL”

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.
3. If the school closes before you graduate, you may be entitled to a refund.

Cancellation occurs when you give written notice of cancellation at the institution’s address. You can do this by mail, in person, by fax or email. The notice, if mailed is effective by postmark date. If you cancel this agreement, ProMED Career Institute will refund any money that you paid, less any deductions for equipment not timely returned in new condition within 45 day after receipt of the notice.
